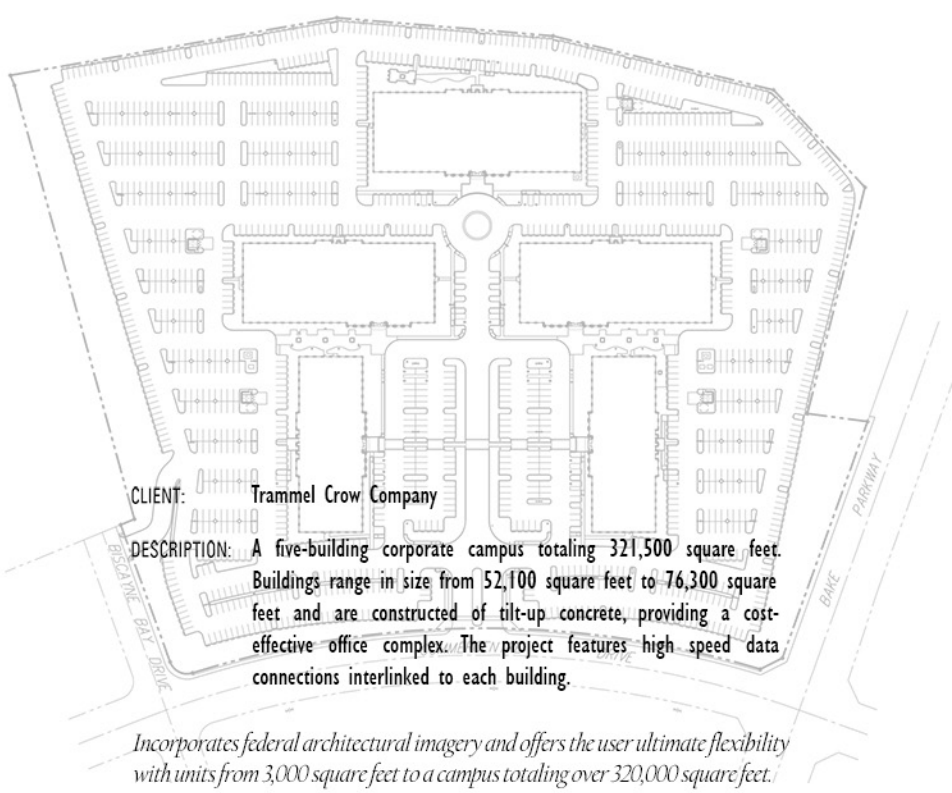
## PACIFIC VISTA

*Lake Forest, California*



CLIENT: Trammel Crow Company

DESCRIPTION: A five-building corporate campus totaling 321,500 square feet. Buildings range in size from 52,100 square feet to 76,300 square feet and are constructed of tilt-up concrete, providing a cost-effective office complex. The project features high speed data connections interlinked to each building.

*Incorporates federal architectural imagery and offers the user ultimate flexibility with units from 3,000 square feet to a campus totaling over 320,000 square feet.*
