

BASELINE AND TAMARIND WAREHOUSE

Rialto, California

Client: Oakmont Industrial Group

Description: This project consists of a speculative shell concrete tilt-up industrial building on an approximate 7.79 acre site. The total building footprint is about 156,500 square feet; 151,500 square feet for warehouse and 5000 square feet for office. With plenty of space for designated parking, allowable space for 18 dock doors, 2 grade doors, and 26 trailer stalls is achieved.
