

AIRPORT DRIVE WAREHOUSE

Ontario, California

Client: Oakmont Industrial Group

Description: Located in Ontario, CA, this project consists of a speculative industrial building on an approximate 5.56-acre site. At about 127,000 square feet the building dedicates roughly 118,000 square feet to warehousing, 6000 square feet for ground floor office, and 3100 square feet to mezzanine office space. This site provides plentiful parking and room for 12 dock doors, 2 grade doors, and 4 trailer stalls.
