

THE RANCH SALOON
Anaheim, California

CLIENT: Extron Electronics

DESCRIPTION: The 9,000 square foot Ranch Saloon is a premier Country Western live music and dancing venue seating up to 400. The venue features a state-of-the-art sound system & acoustics, a lowered maple dance floor allowing seated patrons to watch the act unobstructed by dancers, as well as two bars and VIP booth seating. The adjacent Ranch Restaurant is acoustically isolated, enabling diners to enjoy quiet dinner conversation while bands play next door.
