

**MISSION & GROVE BUSINESS PARK**  
*Ontario, California*

**CLIENT:** Mission Grove Partners  
Boatman Development Company

**DESCRIPTION:** This 231,000 square feet, 6-building project is set within an unusually-shaped infill site, further complicated by airport land use restrictions. GAA was able to deliver an effective, creative solution that takes advantage of the site's access and visibility.

*Located directly across from Ontario International Airport*
